

Target: Recall multiplication & division facts for the 3 times tables.

By the end of this half term, children in Year 3 should know the following facts and be able to recall them instantly:

$1 \times 3 = 3$	$11 \times 3 = 33$	$12 \div 3 = 4$
$2 \times 3 = 6$	$12 \times 3 = 36$	$9 \div 3 = 3$
$3 \times 3 = 9$	$36 \div 3 = 12$	$6 \div 3 = 2$
$4 \times 3 = 12$	$33 \div 3 = 11$	$3 \div 3 = 1$
$5 \times 3 = 15$	$30 \div 3 = 10$	
$6 \times 3 = 18$	$27 \div 3 = 9$	
$7 \times 3 = 21$	$24 \div 3 = 8$	
$8 \times 3 = 24$	$21 \div 3 = 7$	
$9 \times 3 = 27$	$18 \div 3 = 6$	
$10 \times 3 = 30$	$15 \div 3 = 5$	

Vocabulary

- Multiply
- Divide
- Share
- Equal groups
- Multiple
- Product
- Factor

Key Questions

- $3 \times 6 = _$
- $_ \times 3 = 12$
- $33 = _ \times _$

Top Tips

The secret to success? Practise little and often! Can you learn these on your way to school? On a car journey? Or even at the breakfast table? You don't need to learn them all at once: start with those you are more confident with before tackling the rest. Why not practise whilst keeping active? You could throw and catch or kick a ball whilst learning them!

Play games!

- Make a spinner and when it lands on a question, you get a point if you get the answer correct.
- Create a set of question cards and a set of answer cards and play a pairs memory game with them.
- Create a wordsearch – tip = you will have to write the answer as a word rather than digits.
